

*In Loving Memory
of
Pastor David Braden*

November 22, 1943 - May 6, 2026

Pastor David Braden, 82, was promoted to heaven on May 6, 2026, to be with his Lord and Savior, Jesus Christ.

He was a man who was passionate about loving and serving God with his life, investing much of his time studying the Bible, committing it to memory, preparing teachings and writing workbooks.

He was a good musician who sang well and played several musical instruments. He used his talents to serve the Lord as worship leader and choir director through the years, and taught music to several students.

While simultaneously working as an engineer, he served as Pastor in a number of churches over the years, retiring from engineering in 2005 and from pastoring in December 2025. His legacy lives on through the many Bible studies he authored, available at pastordavidbraden.com

He was thoughtful, kind, caring, and was the best husband any wife could ever hope to ask for.

His faithful service to the Lord spanned well over 60 years.

David is already greatly missed here on earth.

But, oh, what joy belongs to him now in his new home with his Lord!

*For to me, to live is Christ, and to die is gain.
Philippians 1:21*
